

Make a list of types of physical or digital goods that you have experience with, either as a creator or consumer:

.....	
.....	
.....	
.....	

List products you can make yourself, vs. products you'd need to find a manufacturer:

SELF PRODUCE:

OUTSOURCE:

.....	
.....	
.....	
.....	

What's your favorite idea from the list above?

.....

What is a standard retail price for similar products?

.....

Divide retail by 2 to establish wholesale:

Divide retail by 4 to establish cost:

.....	
-------	-------

What three next steps can you take to make this product a reality?
(For example - start designing, search for manufacturers, start setting up online store.)

.....

.....

.....
