

# Project Task Breakdown

Project Name:

Date:

.....

Planning Steps (break down into as many 'micro' steps as possible. i.e. moodboarding, draft a brief, sketching, breakout schedule on calendar)

|                          |       |                          |       |
|--------------------------|-------|--------------------------|-------|
| <input type="checkbox"/> | ..... | <input type="checkbox"/> | ..... |
| <input type="checkbox"/> | ..... | <input type="checkbox"/> | ..... |
| <input type="checkbox"/> | ..... | <input type="checkbox"/> | ..... |
| <input type="checkbox"/> | ..... | <input type="checkbox"/> | ..... |
| <input type="checkbox"/> | ..... | <input type="checkbox"/> | ..... |

Execution Steps (break down into as many 'micro' steps as possible. i.e. bring sketches into computer, establish color palette, create basic elements, fill in details)

|                          |       |                          |       |
|--------------------------|-------|--------------------------|-------|
| <input type="checkbox"/> | ..... | <input type="checkbox"/> | ..... |
| <input type="checkbox"/> | ..... | <input type="checkbox"/> | ..... |
| <input type="checkbox"/> | ..... | <input type="checkbox"/> | ..... |
| <input type="checkbox"/> | ..... | <input type="checkbox"/> | ..... |
| <input type="checkbox"/> | ..... | <input type="checkbox"/> | ..... |

Finalizing Steps (break down into as many 'micro' steps as possible. i.e. remove any extraneous elements, expand for production, export final assets, invoice client)

|                          |       |                          |       |
|--------------------------|-------|--------------------------|-------|
| <input type="checkbox"/> | ..... | <input type="checkbox"/> | ..... |
| <input type="checkbox"/> | ..... | <input type="checkbox"/> | ..... |
| <input type="checkbox"/> | ..... | <input type="checkbox"/> | ..... |
| <input type="checkbox"/> | ..... | <input type="checkbox"/> | ..... |
| <input type="checkbox"/> | ..... | <input type="checkbox"/> | ..... |
